HAWKS

The NSYMCA actively supports inclusion and welcomes kids of all abilities. Recognizing the need for quality, adaptive programming for individuals in the North Shore area, the HAWKS programs help individuals gain confidence, promote independence and responsibility, foster friendships, and nurture a healthy and active lifestyle. All programs are supervised by qualified individuals who help promote a safe, friendly, and supportive environment. We believe that consistency is of the utmost importance and we welcome aides provided by the family to attend camp or any of our programs with their child. All aides must be interviewed by the NSYMCA.

All HAWKS campers will be interviewed and screened by Ellen Mirochnick, NSYMCA Coordinator of Special Services. All HAWKS campers must be NSYMCA members. To be a part of the HAWKS Camp you must fill out a HAWKS application and questionnaire, which can be found on our website at www.nsymca.org.

PARENT STATEMENT OF UNDERSTANDING

Please read this form carefully. Sign this form and return to the NSYMCA. No child can attend camp unless all completed forms are on file.

1. I understand that the North Suburban YMCA staff and volunteers are not allowed to baby sit or transport children at any time outside of the YMCA camp program, with the exception of relationships established outside of the YMCA and prior to the start of the camp session. Immediate disciplinary action will be taken toward staff and volunteers if a violation is discovered.
2. I understand that I am not to leave my child at the North Suburban YMCA or any off-site NSYMCA location unless a YMCA camp staff is there to receive and supervise my child.
3. I understand that my child will not be allowed to leave the program with an unauthorized person. Any person authorized to pick up my child must be listed in my child's registration forms or a note written and signed by a parent or legal guardian must be received by NSYMCA staff at least one day prior to the pick up.
4. I understand that should a person arrive to pick up my child who is obviously under the influence of alcohol or drugs, for the child's safety, staff may have no recourse but to contact police. Please do not put staff in a position where they have to make this judgment call.
5. I understand that the North Suburban YMCA is mandated, by state law, to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
6. I consent to my child's participation with evaluations and surveys for camp.

6. I understand that the North Suburban YMCA Camp Director reserves the right to dismiss a camper from camp. Such situations will mean the total loss of camper fees as paid by the parent or scholarships given to the child.

7. I have received, read, understand, and agree with the policies above and the North Suburban YMCA's Camp policies and parent handbook.

8. I give the North Suburban YMCA the right to take pictures and video for marketing purposes.

9. I give permission for the North Suburban YMCA to transport the child named above off the property for the purpose of medical care or program activities as deemed appropriate by the director and in the event I cannot be reached in an EMERGENCY, I hereby give permission to the physician selected by the Camp Director, to hospitalize, secure proper treatment for, and to order injection, anesthesia or surgery for my child as named above if I cannot be reached.

10. I attest that this registration form in its entirety is correct to my knowledge and understand any changes to the information must occur in writing. I give permission for the child mentioned herein to engage in all camp activities except as noted.

11. I give permission for the YMCA Staff to help apply sunscreen to my child according to the instructions on the bottle.

YMCA MEMBERSHIP AGREEMENT

PLEASE READ AND SIGN

- I understand that this membership will remain in effect until I give written notice of termination.
- **It is to my complete understanding that if I wish to terminate or change my membership in any way, I must give the NSYMCA a 10-day written notice in advance of my draft date. I understand that I must return all of my membership cards upon termination.**
- The NSYMCA Board of Directors may, at their discretion, adjust the monthly rate applicable to my category of membership. Rates are subject to change at any time without prior notice. As I age into a different membership, the fee will automatically change.
- Membership cards remain the property of the NSYMCA and must be surrendered upon demand of that institution.
- **The NSYMCA has authorization to charge the difference between member and non-member rates if I terminate my membership or if my membership expires while I am in the middle of a class session.**
- If this is a corporate membership and the corporation becomes inactive or no longer wishes to participate, membership fees will be adjusted to current membership fees at the time of notification. The active member must work at the company.
- Applicable to draft only: **I am responsible for any uncollected funds.** My membership will be terminated if I have two (2) uncollected drafts on record at the same time or if I close my account without notification, stop payment on my draft, or revoke authorization. Any penalties imposed by my bank or the NSYMCA for uncollected drafts are my responsibility. Should any membership draft not be honored by my bank for any reason, I realize that I am still responsible for that payment plus a service charge applied by the NSYMCA. This is in addition to any service fee my bank may charge. The NSYMCA charges a \$25 service fee or current banking fees for each uncollected draft.
- Applicable to annual membership only: I agree to a 1-year membership from the time of purchase. I am not able to upgrade or downgrade or make changes to my membership. If I cancel before the term, no refunds will be given.
